Well it's a dopey mopey
Doop-de-boop civilian time
It's all mine
And it's a dopey mopey
Doop-de-boop civilian time
It's all mine
Crinkum crankum
Turn them up and spank thems fine

Razor keen and good again
Schemes, if you know what I mean
Things are looking good again
Razor keen good again
Gonna take a hatchet to 'em
Hack my way in.

Centre and stop, pan right and stop
Centre and stop, pull back and stop
A new murder squad
Off kick murder squad
Kick kick murder squad
Hack my way in.
