Adam ant/marco pirroni
And when summer gets to me
And sets the sex on fire
My body is an ocean
Of twisted white debris
And when summer gets to me
And sets the heart in motion
A pain that hides in my insides
Is suddenly set free
And sex is sex forget the rest
The only one that's free
The only great adventure left
To humankind, that's you and me
And when summer gets to me
And tries to make me tired
I'm living every minute
And dying every three
And sex is sex forget the rest
The only one that's free
The only great adventure left
To humankind, that's you and me
Let all the braggers brag
SexS-e-x
Virginity's no crime
SexS-e-x
Your body should be yours
SexS-e-x
And sharing it sublime
SexS-e-x
