The time has come for me to hang my head in shame  
The time has come for me to say that I'm to blame  
The time has come for love's return but it won't be the  
same  
Oh please believe me I won't make the same mistakes  
again.

The time has come to end this very sad affair  
The time has come for you and I once more to share a  
summers kiss  
But love's return won't ever be the same  
Oh please believe me I won't make the same mistakes  
again.

No more sorrows, no more cheating  
Our tomorrows won't be repeating the past

So here am I to ask if you can still forgive  
If you can love, the time has come for love to live  
With no regrets, but take my word that love won't be  
the same  
Oh please believe me I won't make the same mistakes  
again

Oh please believe me I won't make the same mistakes  
again.
