Now the Bible tells the story 'bout Adam's rib  
How the Lord made a woman for companionship  
The first thing she did  
Was take a bite of that forbidden fruit  
I guess we'll be paying 'till the end of time  
At least that's how it is with that woman of mine  
Oh Lord, I think I want my rib back

Now this is wrong and baby that aint right  
I'm workin' tryin' to please  
That woman day and night  
She's never satisfied although I try  
And do the best that I can  
This has gotta change or honey I'm gonna leave  
I won't let evolution make a monkey out of me  
Oh Lord, I think I want my rib back

There's a hole in my wallet  
And a pain in my side  
Ever since I made that girl my blushing bride  
Her daddy calls her angel  
And her momma calls us three times a night  
Her cousins on my sofa  
Her sister's got my car  
Her brothers drink my liquor  
Like my house was a bar  
Oh Lord, I think I want my rib back
