A soldier in a uniform in a faded 8 by 10
A brave man who went off to war
And never came back home again
Classified MIA
What happened to my grandad
Is still a mystery today

Missing Hero, where did you go
Though you're gone now you live on now
Through the ones youv'e touched
And left behind
Tonight I'm one of those
Missing heroes

He sat tall in the saddle
Up on the silver screen
When I was just a boy
He was the man I couldn't wait to be
Wishe he was still around
We sure could use a few like him
To look up to right now

Missing Hero, where did you go
Though you're gone now you live on now
Through the ones you'e touched
And left behind
Tonight I'm one of those
Missing heroes

Have you made a difference today
If you leave here unexpectedly
Will your children say.....
