Give into temptation
You don't have to home all alone
Get into it
I see you acting like you're talking on your phone
But boy I know what
I know what you're missing tonight
You're big and so strong
You need a little brother to boss around and play fight

You can hold me down I'll let you in
Don't pull me too close or I'll pull you in
I can tell you like attention
That's just the thing that I'm giving

I want to give you my
Faggoty attention
Baby that'll make you feel right
With my faggoty attention
Baby all I need is tonight
I'll change your life
And I won't ask, won't tell
Promise you won't go to hell
Tonight
We'll go back to Brooklyn get it cooking
Don't you worry no ones looking

Ooh its right now
And your falling into my plan
You can get rough
Boy I aint no girl I can take it like a man
And all your questions
They can all be answered tonight
Hope your ready
Coz you aint never had it this tight

You can hold me down I'll let you in
Don't pull me too close or I'll pull you in

I can tell you like attention
That's just the thing that I'm giving

I want to give you my

Faggoty attention
Baby that I'll make you feel right
With my faggoty attention
Baby all I need is tonight
I'll change your life
And I won't ask, won't tell
Promise you won't go to hell
Tonight
We'll go back to Brooklyn get it cooking
Don't you worry no ones looking

Back to Brooklyn get it cooking
Don't you worry no ones looking (x3)

You can hold me down

You can hold me down I'll let you in
Don't pull me too close or I'll pull you in
I can tell you like attention
That's just the thing that I'm giving

I want to give you my
Faggoty attention
Baby that I'll make you feel right
With my faggoty attention
Baby all I need is tonight
I'll change your life
And I won't ask, won't tell
Promise you won't go to hell
Tonight
We'll go back to Brooklyn get it cooking
Don't you worry no ones looking

Oh oh oh...
