How to take a history has always been a mystery,
How to find a JVP,
How to take a pulse.

Asking patients about sex,
Supernature reflex,
Skin bumps, neck lumps,
Now give me a cough (cough)

MMR, BCG, meningitis, DTP,
Bile stones, urichromes,
Coeliac disease.

Fallot
Different types of allergy,
Antenatal screening of congenital disease.

Spastic paraplegia,
Syringomyelia,
Measuring Glasgow coma,
Extradural haematoma,
Alzheimer
Penetrance of Huntingdon
HIV, CJD, syphillitic Shanker

Haem firm,
Paeds firm,
Psyche, surgery,
Rheumo, ortho,
So much stuff you need to know,
Learning drugs is so much stress,
You memorise the BNF,

Public health, public health,
What the fuck is public health?

Stuff that you need for finals,
It
