

Adam Lambert "Aftermath"

Visit "[Aftermath](#)" on MotoLyrics.com

Have you lost your way?
Livin' in the shadow of the messes that you made
And so it goes
Everything inside your circle starts to overflow
Take a step before you leap
Into the colours that you seek
You'll get back what you give away
So don't look back on yesterday

Wanna scream out
No more hiding
Don't be afraid of what's inside
Gonna tell ya you'll be alright
In the Aftermath
Anytime anybody pulls you down
Anytime anybody says you're not allowed
Just remember you are not alone
In the Aftermath

You feel the weight
Of lies and contradictions that you live with every day
It's not too late
Think of what could be if you rewrite the role you play
Take a step before you leap
Into the colours that you seek
You give back what you give away
So don't look back on yesterday

Wanna scream out
No more hiding
Don't be afraid of what's inside
Gonna tell ya you'll be alright
In the Aftermath
Anytime anybody pulls you down
Anytime anybody says you're not allowed
Just remember you are not alone
In the Aftermath
In the Aftermath

Before you break you have to she'd your armor
Take a trip and fall into the glitter
Tell a stranger that they're beautiful

So all you feel is love, love
All you feel is love, love

Wanna scream out
No more hiding
Don't be afraid of what's inside
Wanna tell you you'll be alright
In the Aftermath

Wanna scream out
No more hiding
Don't be afraid of what's inside
Gonna tell ya you'll be alright
In the Aftermath

Anytime anybody pulls you down
Anytime anybody says you're not allowed
Just remember you are not alone
In the Aftermath
In the Aftermath
Gonna tell ya you'll be alright
In the Aftermath
In the Aftermath
Just remember you are not alone
In the Aftermath
