Adam Lambert
"Crawl Through The Fire"

i canâ€™t find you
in the smoke
the night is burning
as we choke
fire, fire, all around
fire, fire, hit the ground
get on the floor, souls to breathe
get on the floor, souls to see

fight the heat
crawl to me

fire, fire erupts
fire, fire blowing up
get on the floor, on your knees
get on the floor, â€™til they bleed

crawl through the fire
rescue and inspire
crawl, make it through
saving me, saving you

i canâ€™t find you
in the smoke
the night is burning
as we choke
fire, fire erupts
fire, fire blowing up
get on the floor, on your knees
get on the floor, â€™til they bleed

fight the heat
crawl to me, yeah

crawl through the fire
rescue and inspire
crawl, make it through
saving me, saving you

whoaâ€"o
whoaâ€"o

fight the heat
crawl to me, yeah, yeah,
yeâ€"â€"ah

crawl through the fire
rescue and inspire
crawl, make it through
saving me, saving you
