i can't find you  
in the smoke  
the night is burning  
as we choke  
fire, fire, all around  
fire, fire, hit the ground  
get on the floor, souls to breathe  
get on the floor, souls to see

fight the heat  
crawl to me

fire, fire erupts  
fire, fire blowing up  
get on the floor, on your knees  
get on the floor, 'til they bleed

crawl through the fire  
rescue and inspire  
crawl, make it through  
saving me, saving you

i can't find you  
in the smoke  
the night is burning

as we choke  
fire, fire erupts  
fire, fire blowing up  
get on the floor, on your knees  
get on the floor, 'til they bleed

fight the heat  
crawl to me, yeah

crawl through the fire  
rescue and inspire  
crawl, make it through  
saving me, saving you

whoa-o  
whoa-o

fight the heat  
crawl to me, yeah, yeah,  
yeâ€”â€”ah

crawl through the fire  
rescue and inspire  
crawl, make it through  
saving me, saving you
