I remember when, i remember  
I remember when i lost my mind  
There was something so pleasant about that space  
Even your emotions have an echo in so much space

And when your out there without a care  
Yeah, i was out of touch  
But it wasnt because i didnt know enough  
i just knew to much

Does that make me sound crazy?  
Does that make me sound crazy?  
Does that make me sound crazy?  
Possibly

And i hope that you are  
Having the time of your life  
But think twice  
Thats my only advice

Come on now, who do you  
Who do you, who do you, who do you think you are?  
ha ha ha, bless your soul  
You really think your in control?

Well, i think your crazy  
I think your crazy  
i think your crazy  
just like me

My heroes had the heart  
To lose their lives out on the limb  
And all i remember  
I thinking, i want to be like them

Ever since i was little  
Ever since i was little  
It looked like fun  
And its no coincidence that i've come  
And i can die when im done

But maybe im crazy

Maybe you're crazy  
Maybe we're crazy  
Probabaly
