There was a time  
When I was so broken hearted  
Love wasn't much of a friend of mine  
The tables have turned, yeah  
'Cause me and them ways have parted  
That kind of love was the killin' kind  
Now listen  
All I want is someone I can't resist  
I know all I need to know by the way that I got kissed

I was cryin' when I met you  
Now I'm tryin' to forget you  
Love is sweet misery  
I was cryin' just to get you  
Now I'm dyin' cause I let you  
Do what you do - down on me

Now there's not even breathin' room  
Between pleasure and pain  
Yeah you cry when we're makin' love  
Must be one and the same

It's down on me  
Yeah I got to tell you one thing  
It's been on my mind  
Girl I gotta say  
We're partners in crime  
You got that certain something  
What you give to me  
Takes my breath away  
Now the word out on the street  
Is the devil's in your kiss  
If our love goes up in flames  
It's a fire I can't resist

I was cryin' when I met you  
Now I'm tryin' to forget you  
Your love is sweet misery  
I was cryin' just to get you  
Now I'm dyin' cause I let you  
Do what you do to me

'Cause what you got inside  
Ain't where your love should stay  
Yeah, our love, sweet love, ain't love  
If you give your heart away

I was cryin' when I met you  
Now I'm tryin' to forget you  
Your love is sweet misery  
I was cryin' just to get you  
Now I'm dyin' just to let you  
Do what you do what you do down to me,  
baby, baby, baby

I was cryin' when I met you  
Now I'm tryin' to forget you  
Your love is sweet misery  
I was cryin' when I met you  
Now I'm dyin' cause I let you  
Do what you do down to , down to, down to, down to  
I was cryin' when I met you  
Now I'm dyin' to forget you  
Your love is sweet  
I was cryin' when I met you
