You see the worst of me now
Iâ€™m all alone you see
You lost me somehow
And what weâ€™re fighting for is peace
Are you still in love with me
Or someone else
Well are you such a dreamer
put your self in my shoes
Careful what you wish for love
ooh....
Iâ€™ve seen the worst of you too.
I let it do, see
Because I have to
And well am falling on my knees
youâ€™ll take my hand in yours
what will be, will be
Well are you such a dreamer
put your self in my shoes
Careful what you wish for love
ooh
whats the matter with our ways
iâ€™m missing something not to blame
But dont you worry this will pass
its only cause my mindâ€™s been spinning
No controlIâ€™ve lost my head
all of this is just begining
Not enough itâ€™s never enough
Iâ€™ll only want to keep on dreaming
Cause are you such a dreamer
put your self in my shoes
Careful what you wish for love x2
(ooh)
