

## Adam Lambert "For Your Entertainment"

Visit "[For Your Entertainment](#)" on MotoLyrics.com

So hot  
Out the box  
Can we pick up the pace?  
Turn it up,  
Heat it up  
I need to be entertained  
Push the limit  
Are you with it?  
Baby, don't be afraid  
I'ma hurt 'ya real good, baby

Let's go  
It's my show  
Baby, do what I say  
Don't trip off the glitz  
That I'm gonna display  
I told ya  
I'ma hold ya down until you're amazed  
Give it to ya 'til you're screaming my name

No escaping when I start  
Once I'm in I own your heart  
There's no way you'll ring the alarm  
So hold on until it's over

Oh, do you know what you got into?  
Can you handle what I'm 'bout to do?  
'Cause it's about to get rough for you  
I'm here for your entertainment

Oh, I bet you thought that I was soft and sweet  
'Ya thought an angel swept you off ya feet  
But I'm about to turn up the heat  
I'm here for your entertainment

It's alright  
You'll be fine  
Baby, I'm in control  
Take the pain  
Take the pleasure  
I'm the master of both  
Close your eyes

Not your mind  
Let me into your soul  
I'ma work it 'til you're totally blown

No escaping when I start  
Once I'm in I own your heart  
There's no way you'll ring the alarm  
So hold on until it's over

Oh, do you know what you got into?  
Can you handle what I'm 'bout to do?  
'Cause it's about to get rough for you  
I'm here for your entertainment

Oh, I bet you thought that I was soft and sweet  
'Ya thought an angel swept ya off your feet  
Well I'm about to turn up the heat  
I'm here for your entertainment

Oh oh... mmmm  
Entertainment...  
Oh oh... Oh entertainment...  
I'm here for your entertainment...

Oooohhh...  
Do you like what you see?  
Woaaaaahhhh...  
Let me entertain 'ya tell you screeaaam

Oh, do you know what you got into?  
Can you handle what I'm 'bout to do?  
'Cause it's about to get rough for you  
I'm here for your entertainment

Oh, I bet you thought that I was soft and sweet (bet ya  
thought)  
'Ya thought an angel swept ya off your feet  
Well I'm about to turn up the heat (turn up the heat)  
I'm here for your entertainment
