she wants to be up there
in the air where the clouds live
the sweetest seeds make the best treats
30,000 feet she can smile there and now
she puts her shot glass down
she asks for another round
she wants to hit the clouds
honey are you up there? Now,
she puts her shot glass down
she asks for another round
girl don't you hit the ground
is it kickin' in?
can you feel it Kickin' in
can you feel it kickin' in
can you feel it kickin' in
Honey are you up there
can you feel it kickin' in
can you feel it kickin' in
can you feel it kickin' in
Honey are you up there
she wants to introduce me
to her friend Eddie
what is she tryin' to do to me
he got words that rhyme
he got a dirty mind
persuasive
what am i bout to do right now
she puts the shot glass down
she asks for another round
she wants to hit the clouds
honey are you up there now
she puts the shot glass down
she asks for another round
girl dont you hit the ground
is it kickin' in
can you feel it kickin' in
can you feel it kickin' in
can you feel it kickin' in
honey are you up there
can you feel it kickin' in
can you feel it kickin' in
can you feel it kickin' in

honey are you up there
bounce bounce bounce
bounce bounce bounce
bounce bounce bounce
bounce bounce bounce
bounce bounce bounce
bounce bounce bounce
and now she puts the shot glass down
she asks for another round
