Song originally by Miley Cyrus

I can almost see it.
that dream I'm dreaming, but
there's a voice inside of my head, tellin'
you'll never reach it
every step I'm takin'
every move I make
feels lost in no direction,
my faith is shakin'
but I gotta keep tryin'
gotta keep my head held high

There's always gonna be another mountain
I'm always gonna wanna make it move
always gonna be an uphill battle
sometimes I'm gonna have to lose
ain't about how fast I get there
ain't about what's waitin' on the other side
Life's a climb

The struggles I'm facing
the changes I'm taking
sometimes they knock me down, but
no I'm not breaking
I may not know where, but
these are the moments that
I'm gonna remember most

I've just gotta keep goin', and
I gotta be strong
just keep pushing on, but

There's always gonna be another mountain
I'm always gonna wanna make it move
always gonna be an uphill battle
sometimes I'm gonna have to lose
ain't about how fast I get there
ain't about what's waitin' on the other side
Life's a climb

There's always gonna be another mountain

I'm always gonna wanna make it move
always gonna be an uphill battle
sometimes I'm gonna have to lose
ain't about how fast I get there
ain't about what's waitin' on the other side
Life's a climb

Keep on movin'
keep climbin'
keep faith baby
It's all about, it's all about
the climb
keep the faith, keep your faith, woah
