All around are me are familiar faces
Worn out places, worn out faces
Bright and early for the daily races
Going nowhere, going nowhere
And their tears are filling up their glasses
No expression, no expression
Hide my head I wanna drown my sorrows
No tomorrow, no tomorrow
(Chorus)
And I find it kind of funny
I find it kind of sad
The dreams in which in dying
Are the best I've ever had
I find it hard to tell you
I find it hard it take
When people run in circles
It's a very very,
Mad world, Mad world
Children waiting for the day the feel good
Happy birthday, happy birthday
And they feel the way that every child should

Sit and listen, sit and listen
Went to school and I was very nervous
No one knew me, no one knew me
Hello teacher tell me what's my lesson
Look right through me, look right through me
[Chorus]
And I find it kind of funny,
I find it kind of sad
The dreams in which I'm dying
Are the best I've ever had
I find it hard to tell you
I find it hard to take
When people run in circles
It's a very very
Mad world, Mad world
Mad world, Mad world
