It's late at night and I can't sleep
Missing you just runs too deep
Oh I can't breathe thinking of your smile
Every kiss I can't forget
This aching heart ain't broken yet
Oh God I wish I could make you see
Cause I know this flame isn't dying
So nothing can stop me from trying

Baby you know that
Maybe it's time for miracles
Cause I ain't giving up on love
You know that
Maybe it's time for miracles
Cause I ain't giving up on love
No I ain't giving up on us

I just want to be with you
Cuz living is so hard to do
When all I know is trapped inside your eyes
The future I cannot forget
This aching heart ain't broken yet
Oh God I wish I could make you see
Cuz I know this flame isn't dying
So nothing can stop me from trying

Baby you know that
Maybe it's time for miracles
Cuz I ain't giving up on love
You know that
Maybe it's time for miracles
Cause I ain't giving up on love
No I ain't giving up on us
Baby can you feel it (can you)
You know I can hear it (hear it in my soul)
So can you feel it feel it?
You know it's time?

Baby you know that
Maybe it's time for miracles
Cuz I ain't giving up on love
You know that

Maybe it's time for miracles
Cuz I ain't giving up on love
You know
Maybe it's time for miracles
Cuz I ain't giving up on love
No I ain't giving up on us
I ain't giving up no
Oh I ain't giving up on us
