Variety's the spice it's clear
But nothing's for free
Can you hear it all the
Branches fall from the tree
Smothered by the sound of
Silence ran out of breath
Listen for the audience and
Power to death
They can't hear you any more
Because they're all deaf
They can't hear you any more
Because they're all dead
MP3s killed the record companies
MP3s killed the record companies
MP3s killed the record companies
MP3s killed the record companies
Smothered by the sound of
Silence ran out of breath

Power to death
