I want your body, mind, soul, et cetera  
And one day you'll see, you should give it to me  
And I don't want anyone instead of ya  
Oh babe I'm goin crazy, come on and give it to me  
And I ain't never met nobody better-er  
You're someone else's baby

I'm so sick of living for other people  
Took meeting you to realize  
I don't wanna lose ya, I wanna keep ya

Put your little hand in mine and  
Look into my eyes, baby eyes  
Oh you make me wanna listen to music again  
Yeah you make me wanna listen to music again

There had been many moons before I met ya  
And I ain't going nowhere  
And now you give me back my raison d'Ãatre  
And I'm inspired again

And I know in some ways we're kinda evil  
Got my roots and you've got ties  
But my heart's no stranger to upheaval

Put your little hand in mine and  
Look into my eyes, baby eyes  
Oh you make me wanna listen to music again  
Yeah you make me wanna listen to music again

Ahhh music again  
Look in to my eyes, baby eyes  
I just wanna listen to music again  
Oh yeah oh yeah oh yeah wooh oh hey!

I'm so sick of living for other people  
Took meeting you to realize  
I don't wanna lose ya, I wanna keep ya

Put your little hand in mine and  
Look into my eyes baby eyes, whoa  
Oh you make me wanna listen to music again, whoa

Yeah you make me wanna listen to music again, whoa  
Oh you make me wanna listen to music again, whoa  
Yeah you make me wanna listen to music again
