I wish that this night would never be over
There's plenty of time to sleep when we die
So lets just stay awake until we grow older
If I had my way we'd never close our eyes
Our eyes
Never
I don't wanna let a minute get away
'Cause we got no time to lose
None of us are promised to see tomorrow
And what we do is ours to choose
Forget about the sunrise
Fight the sleep in your eyes
I don't wanna miss a second with you
Let's stay this way forever
It's only getting better
If we want it to
You know that I wish that this night would never be over
There's plenty of time to sleep when we die
So lets just stay awake until we grow older
If I had my way we'd never close our eyes
Our eyes
Never
It's so hard to think this could fade away
But what goes up must come down
Why can't we just live life with no consequence
And always live in the now
Forget about the sunrise
Fight the sleep in your eyes
I don't wanna miss a second with you
Let's stay this way forever
It's only getting better
If we want it to
You know that I wish that this night would never be over
There's plenty of time to sleep when we die
So lets just stay awake until we grow older
If I had my way we'd never close our eyes
Our eyes
Never
Oh
Yeah
Oh
Yeah

You know that I wish that this night would never be over
There's plenty of time to sleep when we die
So lets just stay awake until we grow older
If I had my way we'd never close our eyes
Our eyes
Never
