I don't know the reason
Lets just make a choice
Lets throw out the caution
Just one hear voice

So walk me through
Back through the fields
When I walked down
That road I find
I already know
On with the show
If there's a god
Then god only knows
Walk me back through
Fields I knew
So well

Like when we believed
A moment in time
When we shined
So walk me through
Back through the fields
Oh take me home
Back to the fields
Erase the dream
Rewrite the scene
If there's a god,
Then god only knows
What we should know
On with the show

So walk me through
Back through the fields
Oh take me home
Back to the fields
Erase the dream
Rewrite the scene
If there's a god,
Then god only knows
What we should know
On with the show

So walk me through
Back through the fields
Oh take me home
Back to the fields
Erase the dream
Rewrite the scene
If there's a god,
Then god only knows
What we should know
On with the show
