I saw a picture of you
Hanging in an empty hallway
I heard a voice that I knew
and I couldn't walk away
it took me back to the end
where everything
I tasted all
I tested all the tears
again
Outside the rain is pouring down
there's not a drop that hits me
scream at the sky but no sound
is leaving my lips
It's like I can't even feel
after the way you touched me
I'm not asleep, I'm not awake
After the way you loved me
I can't turn this around
I keep running into walls that, I can't break down
I said.
I just wander around
with my eyes wide shut because of you
I'm a sleep walker
walker
I'm a sleep walker
walker
let me out of this dream
Everywhere that I go
I see another memory
and all the places we used to know
They're always there to haunt me
I walk around and I feel, So lost in the light
you're everything that I want
but you don't want me
I can't turn this around
I keep running into walls that I can't break down
I said
I just wander around
with my eyes wide shut because of you
I'm a sleep walker
walker
let me out of this dream
dream
let me out of this dream
