"Starlight"

Far away

This ship is taking me far away

Far away from the memories

Of the people who care if I live or die

Starlight

I will be chasing the starlight

Until the end of my life

I don't know if it's worth it anymore

Hold you in my arms

I just wanted to hold

You in my arms

My life

You electrify my life

Let's conspire to ignite

All the souls that would die just to feel alive

But I'll never let you go

If you promised not to fade away

Never fade away

Our hopes and expectations

Black holes and revelations

Our hopes and expectations

Black holes and revelations

Hold you in my arms

I just wanted to hold

You in my arms

Far away

This ship is taking me far away

Far away from the memories

Of the people who care if I live or die

And I'll never let you go

If you promise not to fade away

Never fade away

Our hopes and expectations

Black holes and revelations

Our hopes and expectations

Black holes and revelations

Hold you in my arms

I just wanted to hold

You in my arms

I just wanted to hold
