We are the sure fire winners, winners, winners, winners

We're coming up like killing machines  
Our big gun's gonna shatter your scene  
It's pandemonium on the floor  
'Cause everybody wants a little more

They wanna ride on the rocket ship  
Ride around the moon for a velvet kiss  
'Cause all the girls and the boys wanna know  
How far this bad wild child's gonna go?

We are the sure fire winners  
Uh-oh yeah, big time hitters  
We are the sure fire winners  
Uh-oh yeah, big time hitters

Bringing the heat and the word is out  
Giving you something to shout about  
We are, yeah, we are, we are the sure fire winners  
(Sure fire winners, sure fire winners, sure fire winners)

Flick the switch and the missile will fire  
I'm a heat seeker when I'm full of desire  
We're all drawn to the heat of the flame  
'Cause you wanna be a star in the hall of fame

I was born with glitter on my face  
My baby clothes made of leather and lace  
And all the girls in the club wanna know  
Where did all their pretty boys go?

We are the sure fire winners  
Uh-oh yeah, big time hitters  
We are the sure fire winners  
Uh-oh yeah, big time hitters

Bringing the heat and the word is out

Giving you something to shout about  
We are, yeah, we are, we are the sure fire winners

(Winners, winners)

Ooh yeah, take a walk on the wild with me  
Gonna take you to the top to the brink of what you  
believe  
Never gonna stop 'til we reach the top  
Never gonna stop 'til we reach the top  
You'd better get out of the game it's never gonna be  
the same  
Move over 'cause a new boy's calling it time

We are the sure fire winners  
Uh-oh yeah, big time hitters  
We are the sure fire winners  
Uh-oh yeah, big time hitters

Bringing the heat and the word is out  
Giving you something to shout about  
We are, yeah, we are, we are the sure fire winners

We are the sure fire winners  
Uh-oh yeah, big time hitters  
We are the sure fire winners  
Uh-oh yeah, big time hitters

Bringing the heat and the word is out  
Giving you something to shout about  
Yeah we are, yeah, we are, we are the sure fire winners

Gonna take you to the top, to the brink of what you  
believe, yeah  
Gonna take you to the top, to the brink of what you  
believe  
Gonna take you to the top, to the brink of what you  
believe
