Yeah
Oh Whoa
Oh yeah

People say I'm the life of the party
Cause I make a joke or two
Although I might be laughing loud and hardy
Deep inside I am blue

So take a good look at my face
You'll see my smile looks out of place
If you look closer its easy to trace
The tracks of my tears

I need you, need you
Since you left me if you see me with somebody else
Seem like I'm havin' fun, yeah yeah
Although they might be cute there's just no substitute cause
You're the only perfect one, yeah yeah

So take a good look at my face
You'll see my smile looks out of place
If you look closer its easy to trace
The tracks of my tears

I need you, need you
Haa haaa
haaaa ooo yeah

Outside I'm masquerading
Inside my hope is fading
Just a clown since you put me down
My smile is my makeup I wear since my break up with you

So take a good look at my face
You'll see my smile
It looks out of place
If you look closer its easy to trace
The tracks of my tears
Ohhhh

So take a good look at my face
You'll see my smile
It looks out of place
If you look closer its easy to trace
The tracks of my tears
