People say I'm the life of the party  
'Cause I make a joke or two  
Although I might be laughing loud and hearty  
Deep inside I am blue  
So take a good look at my face  
You'll see my smile looks out of place  
If you look closer, it's easy to trace  
The tracks of my tears...  
I need you, need you  
Since you left me if you see me with somebody else  
Seems like I'm having fun  
Although they may be cute  
They're no substitute  
Because you're the only permanent one...  
So take a good look at my face  
You'll see my smile looks out of place  
If you look closer, it's easy to trace  
The tracks of my tears...  
I need you, need you  
Outside I'm masquerading  
Inside my hope is fading  
Just a clown oh yeah  
Since you put me down  
My smile is my make up  
I wear since my break up with you...  
So take a good look at my face  
You'll see my smile looks out of place  
If you look closer, it's easy to trace  
The tracks of my tears, baby, baby, baby,  
Baby, take a good look at my face oh yeah  
See my smile it's out of place ah look a little bit  
Closer it's easy to trace the tracks of my tears
