Well I was walkin' for some time
When I came across this sign
Sayin' " who are you and where are you from?"
We don't like when visitors come.

" No Trespassing " that's what it said
At least that's what I could read.
No trespassing? yeah, my ass!
Wait 'till ya get a load of me!

One day I was trippin' and that's when I could see
That the ether I had tapped into could be reality
It was great, that's when I climbed that optimistic vine
Once I hit that mountain peak I began to lose my mind

I don't need no sympathy.
I won't cry and whine.
Life's my light and liberty
And I'll shine when I wanna shine.

Make their faces crack
There's no turning back.
Let's go!

Well I was walkin' for some time
When I came across this sign
Sayin' " who are you and where are you from?"
We don't like when visitors come.

" No Trespassing " that's what it said
At least that's what I could read.
No trespassing? yeah, my ass!
Wait 'till ya get a load of me!

I ain't got BS in my bag
That's the one thing you can believe
My heart is gold, my body is lax
Come on baby, can't you see?

I don't need no GPS
to show me where to go
but I can turn the truth in north pole

and show you what is cold

I don't need no sympathy.
I won't cry and whine.
Life's my light and liberty
And I'll shine when I wanna shine.

Make their faces crack
There's no turning back.
Let's go!

Well I was walkin' for some time

" No Trespassing " that's what it said
At least that's what I could read.
No trespassing? yeah, my ass!
Wait 'till ya get a load of me!
Wait 'till ya get a load of me!
I said, wait 'till ya get a load of me

I ain't stayin' at home
I got places to roll
I ain't stayin' at home

I don't need no sympathy.
I won't cry and whine.
Life's my light and liberty
And I'll shine when I wanna shine.

Well I was walkin' for some time
