Well, I was walkin' for some time
When I came across this sign
Sayin' "Who are you and where are you from?
We don't like when visitors come."
"No Trespassing," that's what it said
At least that's what I could read.
No Trespassers? Yeah, my ass!
Wait 'til ya get a load of me!
One day I was trippin' and that's when I could see
That the ether I had tapped into could be reality
It was great, that's when I climbed that optimistic
vine
Once I hit that mountain peak, I began to lose my mind
I don't need no sympathy.
I won't cry and whine.
Life's my light and liberty
And I shine when I wanna shine.
Make their faces crack
There's no turnin' back.
Let's go!
Well, I was walkin' for some time
When I came across this sign
Sayin' "Who are you and where are you from?
We don't like when visitors come."
"No Trespassing," that's what it said
At least that's what I could read.
No Trespassers? Yeah, my ass!
Wait 'til ya get a load of me!
I ain't got BS in my bag
That's the one thing you can believe
My heart is gold, my body is glass
Come on baby, can't you see?
I don't need no GPS
To show me where to go
But I can turn it to the north pole
And show you what is cold
I don't need no sympathy.
I won't cry and whine.
Life's my light and liberty
And I shine when I wanna shine.
Make their faces crack (crack)
There's no turnin' back.

Let's go!
Well, I was walkin' for some time
When I came across this sign
Sayin' "Who are you and where are you from?

No Trespassers? Yeah, my ass!
Wait 'til ya get a load of me!
Wait 'til ya get a load of me!
I said wait 'til ya get a load of me!
I ain't stayin' at home
I got places to roll
I ain't stayin' at home
No, no, no
Hey, hey, hey
Heyeah, yeah, yeah!
I don't need no sympathy.
I won't cry and whine.
Life's my light and liberty
And I shine when I wanna shine.
Heh heh
Heh heh
Heh heh
Heh heh
Let's go!
Well, I was walkin' for some time
When I came across this sign
