November
Not much to remember
You were not inside
December
A change in the weather
You were by my side

Love
Is all we want
Love
Love is all we need
It's all that we really want

No matter
Where the day goes
I know you're close by
Changes
In the seasons
It's just what's required

Love
Is all we want
Love
Love is all we need
It's all that we really want

Love
Is all we want
Love
Love is all we need
It's all that we really want
Yeah

Love, love
Is what we want, it's
What we want
It's what we really need

Love, love, love, love
Is what we want, it's
What we want
It's what we really need

Yeah, yeah, love
Is what we want
Is what we really want

Yeah, love
