

Adam Lambert "What's Up"

Visit "[What's Up](#)" on MotoLyrics.com

Twenty-five years and my life is still
Trying to get up that great big hill of hope
For a destination

I realized quickly when I knew I should
That the world was made up of this brotherhood of
man
For whatever that means

And so I cry sometimes
When I'm lying in bed Just to get it all out
What's in my head
And I, I am feeling a little peculiar.

And so I wake in the morning
And I step outside
And I take a deep breath and I get real high
And I scream from the top of my lungs
What's going on?

And I say: HEY! yeah yeaaaah, HEY yeah yea
I said hey, what's going on?

And I say: HEY! yeah yeaaaah, HEY yeah yea
I said hey, what's going on?

and I try, oh my god do I try
I try all the time, in this institution

And I pray, oh my god do I pray
I pray every single day
For a revolution.

And I wake in the morning
And I step outside
And I take a deep breath and I get real high
And I scream from the top of my lungs
What's going on?

And so I cry sometimes
When I'm lying bed
Just to get it all out

What's in my head
and i i feel whats going on

And I say, hey hey hey hey
I said hey, what's going on?

And I say, hey hey hey hey
I said hey, what's going on?

i said hey whats going on

And I say, hey hey hey hey
I said hey, what's going on?

And I say, hey hey hey hey
I said hey, what's going on?

Twenty-five years and my life is still
Trying to get up that great big hill of hope
For a destination
