### "Wonderful"

So it would appear  
I left my heart here  
And it would be fair to say  
I've been swept away  
So move in right along  
For you I wrote this song  
If I'm a fool  
So this fool will never be with you  
Oh yeh I know

For just when I thought that we could make it  
Realty strikes me down

For I dont want tomorrow  
Just give me some today  
I'll be on first train back home to yesterday  
Yesterday  
To yesterday

Leave me on the hell  
For 50 years  
Dancing there  
Leave me where you will  
I'm very well

You are  
Wonderful  
Oh yes you are

You are the star  
Yes you are  
Yes you are  
You are the star

So keep well  
And travel safe

You are  
Wonderful
