season, Gay Robot?  
Let's find out! (whirring, beeping noises) Says here,  
due to injuries  
and irratic weather patterns, the Eagles will finish a  
dismal 7-9  
What? No way!  
Deal with it  
The Gay Robot knows his shit, man  
Now will someone blow it on my face?  
Nobody's gay here but you, Gay Robot, so let's just  
watch some  
football, alright?  
Look, I'm not here to bring the party down... It's just... I  
run  
on semen... Without it, I could die... Help me to live  
fellas...  
Jerk off in my mouth immediatly... Please, my circuits  
are  
shorting... Starting to fade already... See a light... Going

towards it...  
hahahahah  
You're makin this up, Gay Robot!  
My bad! You got me! Hahaha... good times!  
Hahaahaha...  
So does he eat food like us... human people?

Sounds great, John. Can I dip them in your ass?  
Ooh...

Are you kidding me?  
Don't panic... I can fix it  
Oh hey! That's right! I love it, work your robot magic, fix  
that shit!  
Okay, here's the problem!  
My man! What is it?  
Your cock's not in my asshole!  
Aww.... Maybe you should go home and take a cold  
shower, Gay Robot...  
Alright... I'll go... We'll just whack each other off and I'll  
bail  
Not gonna happen
