Put on your yarmulke  
Here comes Chanukah  
Once again it's onaka  
The miracle of Chanukah

Chanukah is the festival of lights  
One day of presents, hell no, we get eight crazy nights  
But if you still feel like the only kid in two without a  
Christmas tree  
I guess my first two songs didn't do it for you, so here  
comes number three

Ross and Phoebe from Friends say the Chanukah  
blessing  
So does Lenny's pal Squiggy and Will & Grace's Debra  
Messing  
Melissa Gilbert and Michael Landon never mix meat  
with dairy  
Maybe they shoulda called that show "Little Kosher  
House on the Prairie"  
We got Jerry Lewis, Ben Stiller, and Jack Black  
Tom Arnold converted to Judaism, but you guys can  
have him back

We may not get to kiss underneath the mistletoe  
But we can do it all night long with Deuce Bigalow, I'm  
Jewish

Put on your yarmulke, here comes Chanukah

The guy in Willie Nelson's band who plays harmonica  
celebrates Chanukah

Osama bin Laden, not a big fan of the Jews  
Well maybe that's 'cause he lost a figure skating match  
to gold medalist Sarah Hughes, her mama's Jewish  
Houdini and David Blaine escape straightjackets with  
such precision  
But the one thing they could not get out of - their  
painful circumcisions

As for half-Jewish actors, Sean Penn is quite the great

one  
And Marlon Brando, not a Jew at all, but it looks to me  
like he ate one  
Gwenyth Paltrow's half-Jewish, but a full time Oscar  
winner  
Jennifer Connelly's half-Jewish too, and I'd like to put  
some more in her

There's Lou Reed, Perry Ferrell, Beck, and Paula Abdul  
Joey Ramone invented punk rock music, but first came  
Hebrew School

Natalie Portmonika, it's time to celebrate Chanukah  
I hope I get an abtronika, on this joyful, toyful  
Chanukah  
So get a high colonika, and soil your Long Johnikas  
If you really, really wannaka  
Have a happy, happy, happy, happy, happy, happy, happy  
Chanukah
