My girlfriend left me for a seven foot Indian
My grandma hung herself on a tree in the Caribbean
My sister's on the dope and my brother always picks his
nose
And Daddy's only happy when he's wearing Mama's
pantyhose, yeah
I just lost my job to a God damn robot (Good times!)
Then my dog got in the freeze box, he ate everything I
got
But I've got my mule
He's a very, very nice mule
He walks with me home from school
Cause he's a very, very nice mule
When he was a baby my mother fed him gruel
But now he prefers to dine on his own stool
He always philosophizes with the rabbis after shul
Cause he's a very, very pious mule
When he sees a picture of a carrot he has a tendency
to duel
On Halloween he tries to scare me by dressing up as a
ghoul
He once challenged someone who stole my hat to a
duel
Cause he's a very, very Old school mule
A needle-nosed plier is his favorite tool
He lifeguards on a volunteer basis and the Rec. Center
pool
When I break down on the side of the road he shows up
with unleaded fuel
He's a devoted fan of Ms. Paula Abdul
And also approves of the recent makeover of former
folkie Jewel
(coughing)
When I told him Halle Berry's husband cheated he just
shook his head and said to himself 'what a fool'
Cause he's a very, very monogamous mule
(snoring) Porkchop! Wake up, man, the session's not
over!
After several well-publicized arrests for public urination
he now drinks exclusively O'Doul
And every year he puts on a presentation at the Boys
Club to show kids smoking isn't cool

His favorite Elvis song is 'Don't be Cruel', no it's 'Hound
Dog'
I was just kidding you
