Heres a little story  
about a hockey team  
who may just win the stanley cup  
but only in there dreams  
The team is from ottawa  
the senators is there name  
soon to be inducted in the golfing hall of fame  
they say they'll beat our leafers  
HA now there's a funny joke  
cause every year at playoff time  
the senators always choke

So 3 cheers for ottawa  
a real team they are nottawa  
they can give all that they gottawa  
but the stanley cup will never go to Ottawa

Ottawa has their Parliament  
and MPs in the news  
and its kinda like their hockey team  
they talk a lot but don't produce  
there not the brightest either  
I really have to say  
when the capital of our country  
spells Canada with a K (hey thats kanada)

Oh 3 cheers for Ottawa  
they think they got a shottawa  
they must be smokin pottawa  
cuz the stanley cup will never go 2 ottawa

u better press your flood pants  
its that time once again  
2 here that familiar ottawa senators saying  
T off is at 10  
so get ready for the crying  
take out your hankerchief  
you're about to get your ass kicked  
by the toronto maple leafs

Oooh 3 cheers 4 ottawa  
a lesson they'll be taughtawa

Hossa and Havlattawa  
youll soon be golfing alotawa

What the hell else rhymes with Ottawa  
not a whole heck of alotawa  
there the team we already forgotawa  
cuz the Stanley cup will never go to Ottawaaaaaaaa
