if i, i get to know you're name,
if i, could trace you're private number baby,
all i know is that to me, u look like you're lots of fun,
open up them lovin' arms, i want some, want some,
i set my sights on you, (and no one else will do)
and i, i got to have to have my way now baby,
all i know is that to me, u look like you're lots of fun
open up them lovin arms, watch out here i come

Chorus

you spin me right round, baby right round,
like a record baby, right round round round
you spin me right round, baby right round
like a record baby, right round round round.

and i, i've got to be you're friend, grammamali, i'm
talkin to you,
and i, would like to move-a just a little bit closer
all i know is that to me, u look like you're lots of fun,
open up your lovin' arms, watch out here i come

chorus

i want you're love,
i want you're love,
all i know is that to me, you look like you're lots of fun,
open up you're lovin' arms, watch out here i come

chorus

you spin me round, and round and round
