Iâ€™ve been living with a shadow overhead
Iâ€™ve been sleeping with a cloud above my bed
Iâ€™ve been lonely for so long
Trapped in the past, I just canâ€™t seem to move on

Iâ€™ve been hiding all my hopes and dreams away
Just in case I ever need â€™em again someday
Iâ€™ve been setting aside time
To clear a little space in the corners of my mind
All I want to do is find a way back into love
I canâ€™t make it through without a way back into love
Oh oh oooooooh

Iâ€™ve been watching but the stars refuse to shine
Iâ€™ve been searching but I just donâ€™t see the signs
I know that itâ€™s out there
Thereâ€™s got to be something for my soul somewhere!

Iâ€™ve been looking for someone to shed some light
Not somebody just to get me through the night

I could use some direction
And Iâ€™m open to your suggestions

All I want to do is find a way back into love
I canâ€™t make it through without a way back into love
And if I open my heart again
I guess Iâ€™m hoping youâ€™ll be there for me in the end!

There are moments when I donâ€™t know if itâ€™s real
Or if anybody feels the way I feel
I need inspiration
Not just another negotiation

All I want to do is find a way back into love
I canâ€™t make it through without a way back into love
And if I open my heart to you
Iâ€™m hoping youâ€™ll show me what to do
And if you help me to start again,
You know that Iâ€™ll be there for you in the end!
