Chorus:

I'm in love

I'm in love

I'm in love and it's not with you

I need her

I need her

I need her and I don't need you

1)

Girl, we've had a good time

But now, you've crossed the line

You looked me in the eyes

And told me everything was lies

So fuck you

(Chorus)

2)

You ain't nothing but a bitch to me

I was blind but now I see

I see what you're really like

And it really isn't nice

So fuck you

(Chorus)
