I saw a ghost on the stairs
Sheets on the tables and
chairs

Silverware swam with the sharks in the sink
Even~ so I
don't know what to think

I've been hoping for Daisies to push through the floor
I want life to grow all around me
So I don't feel sad
anymore

I'd rather waltz then walk through the forest
The trees
keep the tempo as they sway in time
A quartet of
crickets

Chime in for the chorus
If I play your heartstrings, will
you strum on mine?

I saw a bear in the den

Reading My TextBooks Again

The Bats Float Like Traffic

As They Poured From The Addict

Heaven Knows I Could Really Use a Friend

I'd rather waltz then walk through the forest
The brook
babbles on about nothing~ at all

A quartet of crickets chime in for the chorus
A new leaf
turns over unwilling to fall

I've Been Hoping For...

I've Been Hoping For...

I Want Life To Grow All Around, So I Don't Feel Sad
Anymore...

I'd rather waltz then walk through the forest
The brook
babbles on about nothing~ at all

A quartet of crickets chime in for the chorus A new leaf
turns over unwilling to fall
