I opened my eyes last night, and saw you in the low
light
Walking down by the bay, on the shore, staring up at
the planes that aren't there anymore
I was feeling the night grow old and you were looking
so cold
Like an introvert, I drew my over shirt
Around my arms and began to shiver violently before
You happened to look and see the tunnels all around
me
Running into the dark underground
All the subways around create a great sound
To my motion fatigue: farewell
With your ear to a seashell
You can hear the waves in underwater caves
As if you actually were inside a saltwater room

Time together isn't ever quite enough
When you and I are alone, I've never felt so at home
What will it take to make or break this hint of love?
We need time, only time
When we're apart, whatever are you thinking of?
If this is what I call home, why does it feel so alone?
So tell me darling, do you wish we'd fall in love?
All the time, all the time

Can you believe that the crew has gone and wouldn't
let me sign on
All my islands have sunk in the deep, so I can hardly
relax or even oversleep
I feel as if I were home some nights, when we count all
the ship lights
I guess I'll never know why sparrows love the snow
We'll turn out all of the lights and set this ballroom
aglow

So tell me darling, do you wish we'd fall in love?
All the time.

Time together isn't ever quite enough
When you and I are alone, I've never felt so at home
What will it take to make or break this hint of love?

We need time, only time
When we're apart whatever are you thinking of?
If this is what I call home, why does it feel so alone?
So tell me darling, do you wish we'd fall in love?
All the time, all the time

Time together isn't ever quite enough
When we're apart whatever are you thinking of?
What will it take to make or break this hint of love?
So tell me darling, do you wish we'd fall in love?
All the time
