Nail him to the cross  
Get him out of my way  
'Cause I never want to see him again  
But I stand here alone  
Guess that nobody cares

Rip off my ears; don't want to hear  
Salvation is not for sale

[Chorus:]

The virgin in black, allied with the preacher  
He'll piss on holy ground  
He's Pentecostal bound  
The virgin in black in bed with the preacher  
Sing Hallelujah and see the Devil rise

So grab him by the balls  
With the bible in his hand  
Seducing the weak and the poor  
Getting high while playing tricks with your faith  
He's the ultimate date

The sacred bride on a glory ride  
Salvation is suicide

[Chorus]

"You are the flock; let me be your shepherd  
No one can compete with me"

And see the devil rise

[Lead: J. Nordlund]

[Lead: Rustan Essebo]

So rip off my ears; don't want to hear  
Salvation's not for sale  
The virgin in black

[Chorus]

Behold the virgin in black

You can see her in the magazines  
From the devil's sperm she came  
The virgin in black, watch your back  
Sing Hallelujah, you're Pentecostal bound
