I came home from a hard day's work now
Found ma girl on da floor wid a man now
Couldn't believe, ma eyes lost ma mind now
Turned around an walked away 2 ma room now...

- Did u tell her, tell her, tell her?
- No I did not
- What did u do, u do, u do?
- Let me think no...

Chorus

Goes around comes around
Here u got it, now u got it
What u gonna do about it???

Everyday you're away from 9 to 5 now
After dat...u come home wid ya work now
I keep talkin...seems like there's no one listening
I found out u got a girl on da side now!
- Did u tell her, tell her, tell her?
- No I did not
- What did u do, u do, u do?
- Let me think now...

In ma room there's a picture on da wall now
Took it down an lit a candle by da bed now

Before u do any stupid foolish thangs now
Da man u saw 's not a man its ya girl now
