Cream:

Wake up, buckle up son of a gun. Whats dat? Packem  
up... gotta go - RUN  
Filled da tub wid da blood, WHAT HAVE I DONE??  
Its late, get ya coat, son of a gun  
Ma teeth full of bees, honey & bun  
Ma arms? collard greens- big as a pond  
Both thighs & ma knees, (son of a gun) are WET FROM  
DA BLOOD  
What have I done ???

Pigeon:

U go & I be right wid U  
Watch too many movies, it will get U  
If ya girls wanna cum, they could cum 2  
Bless U if you go ATICHEW  
& run like forest gump, while ya girls cant hold their  
rump  
& we know phat Loodys do thump

da whole scene, I would give it two thumbs up!  
Up we go like super man & down we go like Mary Jane  
& walk; on da wall like spiderman  
no matter what U want, we could take U there

cream:

in 10 minutes its gonna be sunny  
& da men wid da suits & da big money, will be here  
& there be no use runnin  
get ya coat gotta go when da heats cumin

chorus:

don't stop runnin son of a gun,  
I be right behind U runnin sun of a gun  
Don't stop runnin son of a gun  
Nobodys chasin U so U don't need to run
