You say it's all in my head
And the things I think just don't make sense
So where you been then? Don't go all coy
Don't turn it ?round on me like it's my fault
See I can see that look in your eyes
The one that shoots me each and every time

You grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was her

These days when I see you
You make it look like I'm see-through
Do tell me why you waste our time
When your heart ain't admitting you're not satisfied
You know I know just how you feel
I'm starting to find myself feeling that way too

When you grace me with your cold shoulder

Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was her

Time and time again I play the role of fool
(Just for you)
Even in the daylight when you came in
(I don't see you)
Try to look for things I hear but our eyes never find
Though I do know how you play

You grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was her

You grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was her
