When will I see you again?  
You left with no goodbye, not a single word was said  
No final kiss to seal out any sins.  
I had no idea of the state we were in.

I know I have a fickle heart and bitterness  
And a wandering eye, and a heaviness in my head

But don't you remember, don't you remember?  
The reason you loved me before,  
Baby please remember me once more.

When was the last time you thought of me?  
Or have you completely erased me from your memory?  
Cause I often think about where I went wrong.  
You more I do, the less I know.

But I know I have a fickle heart and bitterness  
And a wandering eye, and a heaviness in my head.

But don't you remember, don't you remember?  
The reason you loved me before,  
Baby please remember me once more.

Ohhhh

I gave you the space so you could breathe,  
I kept my distance so you would be free,  
I hope that you find the missing piece  
To bring you back to me.

Why don't you remember, don't you remember?  
The reason you loved me before,  
Baby please remember you used to love me.

When will I see you again?
