So little to say  
But so much time  
Despite my empty mouth  
The words are in my mind  
Please wear the face  
The one where you smile  
Because you  
Lighten up my heart  
When I start to cry

Forgive me first love  
But I'm tired  
I need to get away  
To feel again  
Try to understand why  
Don't get so close  
To change my mind  
Please wipe that look  
Out of your eyes  
It's bribing me  
To doubt myself  
Simply, it's tiring

This love has dried up  
And stayed behind  
And if I stay  
I'll be alive  
Then choke on words  
I'd always hide  
Excuse me first love  
But we're through  
I need to taste the kiss  
From someone knew

Forgive me first love  
But I'm too tired  
I'm bored to say  
The least and I  
I lack desire  
Forgive me first love (4x)  
Forgive me  
Forgive me first love (2x)
