You've been on my mind
I grow fonder every day
Lose myself in time
Just thinking of your face
But, God only knows
Why it's taken me so long to let my doubts go
You're the only one that I want

I don't know why I'm scared
I've been here before
Every feeling
Every word
I've imagined it all
You never know if you never try
To forgive your past
And simply be mine

I dare you to let me be, oh
Your one and only
I promise I'm worthy
To hold in your arms
So come on and give me a chance
To prove I am the one who can
Walk that mile
Until the end starts

If I've been on your mind
You hang on every word I say
Lose yourself in time
At the mention of my name
Will I ever know
How it feels to hold you close
And have you tell me
Which ever road I choose you go

I don't know why I'm scared
I've been here before
Every feeling
Every word
I've imagined it all
You never know if you never try
To forgive your past

And simply be mine

I dare you to let me be, your
Your one and only
I promise I'm worthy
To hold in your arms
So come on and give me a chance
To prove I am the one who can
Walk that mile
Until the end starts

I know it ain't easy
Giving up your heart
I know it ain't easy
Giving up your heart
Nobody's perfect
Just because trust me I've earned it

I dare you to let me be, oh
Your one and only
I promise I'm worthy
To hold in your arms
So come on and give me a chance
To prove I am the one who has
Walked that mile
Until the end starts

Come on and give me the chance
To prove I am the one who can
Walk that mile
Until the end starts
