I thought I told you, he'd be home soon
Can't help myself, you're too good to be true!
I fall short each time,
Every time heÂ...
You Â... closer in here,
Like a fool for fire I fall, with my pride and all!
Like a bomb before explosion,
Ticking by Â...
You're the wiser one, this sky is hungry,
And I'm just a child who longs on her knees.
Chorus:
But I found a boy who I love more,
Than I ever did you before,
So stand beside the river I cried,
And let yourself down!
Look how you want me now that I don't need you!
So, you thought that I crumble to my knees
At the first I told you calling back to me
To whisper Â'will you leave your man?'
Cause you swore can't stand by me.

I won't stand by you!
Chorus:
Cause I found a boy who I love more,
Than I ever did you before,
So stand beside the river I cried
And let yourself down!
Look how you want me now that I don't need you!
I ain't yours for no taking,
You must be mistaken
I could never look in your eyes, and stand Â...
And ignore who I
Chorus:
Well I found a boy that loves me more,
Than you ever did before.
So stand beside the river you cried
And let yourself down!
Look how you want me now that I don't need you!
