I don't want you to be no slave
I don't want you to work all day but I want you to be true
And I just want to make love to you
Love to you
Ooh
Baby
Love to you
Yeah

All I want to do is wash your clothes
I don't want to keep you indoors
There is nothing for you to do but keep me making love
to you
Love to you
Ooh
Baby
Love to you
Yeah

And I can tell by the way you walk that walk
I can hear by the way you talk that talk
I can know by the way you treat your girl
That I can give you all the loving in the whole wide
world

All I want you to do is make your bread
Just to make sure you're well fed
I don't want you sad and blue
And I just want to make love to you
Love to you
Ooh
Baby
Love to you
Yeah

And I can tell by the way you walk that walk
I can hear by the way you talk that talk
I can know by the way you treat your girl
That I can give you all the loving in the whole wide
world

All I want you to do is make your bread

Just to make sure you're well fed
I don't want you sad and blue
And I just want to make love to you
Love to you
Ooh
Yeah
Love to you
Yeah
Oh
I just want to make love to you
